WGT Dialogue Conference during 2 weeks

Online, in each country

from 18th to 23rd of October 2020

- 9 Project partners and their country teams will choose which YouthGoals are important to them in collaboration with local policymakers
- They prepare a 1st action plan in 2020- 2021 to get started on these YouthGoals locally.
- On 22-23 October, the country teams will meet online to share the chosen YouthGoals and action plans and explore in co-creation how they can help each other and work together.

All together in the Netherlands

from 31st of January to 5th of February 2021

- On 2 February: young people, Project partners, **local policymakers** and stakeholders will discuss the YouthGoals and **local action plans** of the different country teams and how they can work together for this.
- On 4 February: young people, **European policymakers** and stakeholders will engage in a dialogue on important conditions for reaching the YouthGoals, such as **informal education** on the themes of the YouthGoals and development of **entrepreneurship** for implementation of innovative ideas/change through projects and start-up in society.

Why the YouthGoals?

- The YouthGoals are the base of the [European Youth Strategy 2019-2027](#)
- By the Dialogue Conference we want to connect our organisations and youngsters with **local and European policymakers** to make impact together to improve lives of young locals, young newcomers (migrants) and youngster in homelands of migrants.
- **Informal education** on the YouthGoals topics, **empowerment** and (Social) **entrepreneurship** are the keys to support youngsters to go for the 11 Goals, to change lives, lifestyles and societies. Working together as youngsters, locally and internationally. With support from our NGO's, policymakers and stakeholders.

We would like to organize the We Grow Together Conference 2020 with 10 or 11 European & Partner countries ...

So if you know NGO's from other countries, please let us know!
